Letchworth Central School became a school district on June 28, 1946. During its early operation its pupils attended elementary school in Bliss, Castile, Gainesville, Hardys, Hermitage, Lamont, Pike, Silver Springs, and the school house in the former Dixon District on Route 19-A. Its secondary pupils attended Silver Springs, Gainesville, Castile, and Bliss. Of the 72 teachers and administrators now employed by Letchworth Central School, 16 were on the original 1946-47 faculty list.

The present junior-senior high school opened its doors to pupils in the fall of 1955. In the course of time, the schools conducting elementary programs have been reduced to the elementary schools at Bliss, Castile, Pike, and Silver Springs. The District's schools housed approximately 1000 pupils in its first year, 1946-47. Its enrollment this fall reached well over 1600 pupils of which 135 were temporary students, being children of migrant workers.

The school district and its schools are entrusted in the hands of the Board of Education composed of Mr. Howard Sattler, President, of Pike Five Corners; Mr. Urlin Broughton, Vice-President, of Lamont; Mr. T. C. Hance, Clerk, of Castile; Mr. Merton Albro of Pike; Mr. Burton Merle of the Hermitage area; Mrs. Lucille Roberts of Bliss; Mr. Maynard Rogers of Silver Springs; Mr. William Embury of Gainesville; and Mr. Floyd Lindsay of the Castile area.

# GUIDANCE DIRECTOR

As guidance director, Mr. LaVerne Arnold plays an important part in the school life of every student. With his assistance each student plans his high school curriculum and applies to the college of his choice. In our every day problems, Mr. Arnold is always willing to lend a helping hand.
